

2017 Advance CTE Spring Meeting Sponsorship Opportunities

Dear Advance CTE Partners:

We hope you'll join us May 2-4, 2017, in Washington, DC, for the Advance CTE Spring Meeting! Our annual meetings draw Career Technical Education (CTE) leaders from nearly every state, as well as national partners and stakeholders. The State CTE Directors are leaders and influencers in their states, so don't miss this opportunity to meet with this key audience!

This year, we've added new opportunities to our array of sponsorship benefits to help you best share your resources, services and materials with state CTE leaders from across the country. Past Advance CTE meeting sponsors have overwhelmingly rated their experience and sponsorship benefits as valuable, and we hope you will join us this year!

This year's meeting will celebrate the one-year anniversary of *Putting Learner Success First: A Shared Vision for the Future of CTE*, and provide a forum for critical discussions about:

- Key federal legislation and the new Administration's impact on CTE;
- Strategies for aligning and implementing innovative and effective education, workforce development and economic development policies and programs within their states;
- Determining the value and portability of industry-recognized credentials; and
- Many other promising CTE practices, programs and policies from across the country.

See below to choose the best sponsorship package for you, as well as logistical information and sponsor commitment forms.
