## **Career Readiness Metrics** F R A M E W O R K

|                               | MIDDLE SCHOOL   | HIGH SCHOOL   | POSTSECONDARY   |
|-------------------------------|---|---|---|
| Access &<br>Equity            |   | Career pathway inclusivity  |   |
|                               | Access to high-quality career readiness coursework                      | Equitable persistence in high-wage, high-skill, in-demand career pathways         |   |
|                               |   |   | Cumulative debt   |
| Education<br>Accumulation     |   | CTE program concentration   |   |
|                               | Exposure to careers through<br>CTE coursework                           | CTE program completion  |   |
|                               | High school credit attainment in<br>middle school                       | Postsecondary credit attainment in<br>high school                                 | Transfer efficiency                                       |
|                               |   |   | Credit for prior learning                                 |
| Skill Development             | Employability skill development   |   |   |
|                               | Academic p  | proficiency   | Gateway course completion                                 |
|                               | Technical skill proficiency   |   |   |
|                               |   | Credential attainment   |   |
|                               |   |   | Measurable skill gain                                     |
|                               |   |   | Adult basic skill attainment                              |
| Work-Based<br>Learning        | Exposure to careers through career awareness and exploration activities |   |   |
|                               |   | Youth apprenticeship, internship, or other sustained work-based learning activity |   |
|                               |   |   |   |
| Transition Readiness          |   | Freshmen on track to graduation   | Ongoing and aligned academic<br>and career guidance       |
|                               | Transition to high school with an actionable plan for next steps        | Graduation rate   | Placement into a credit-bearing<br>program of study       |
|                               | Ninth-grade readiness   | FAFSA completion  | Time to postsecondary degree or credential                |
|                               | Mintil-grade readiness  | Graduation with an actionable plan  | Postsecondary degree attainment                           |
|                               |   | for next steps  | Postsecondary retention/persistence                       |
| Learner Agency<br>& Belonging |   | Co-curricular organization participation  |   |
|                               | Learner self-efficacy   |   |   |
|                               | Learner belonging   |   |   |
| Lea<br>&                      | Occupational identity   |   |   |
| Post-Program Outcomes         |   | Postsecondary enrollment<br>without remediation                                   | Placement into further education/<br>a for-credit program |
|                               |   | Placement into advanced training, militar   | y, national community service, good job                   |
|                               | Enrollment in a high school   | Post-program wages  |   |
|                               | CTE program of study  |   | Post-program wage premium                                 |
|                               | Freshmen on track to graduation   |   | Career advancement  |
|                               |   |   | Continuing education                                      |
|                               |   | Satisfaction with career  |   |
|                               |   | Satisfaction with career  |   |
