RE: 2018-19 CTE New Teacher Induction Program
Date: May 2018

The CTE division of NCDPI is offering three modules – (1) Curriculum and Instruction, (2) Resources, Work-based Learning and Support, and (3) The CTSO Experience – to meet the DPI-sponsored staff development requirement for provisionally licensed CTE teachers. These modules are especially designed for provisionally licensed Career and Technical Education teachers, but all new CTE teachers are encouraged to participate as each module has been carefully crafted to insure success in today’s CTE classroom. Modules consists of online coursework and/or a face-to-face (F2F) workshops.

CTE New Teacher Orientation Session

In conjunction with the 2018 CTE Summer Conference, the CTE New Teacher Orientation session will be offered on **Tuesday, July 24, 2018, 9:00 am – 11:00 am**, in the Victoria Ballroom at the Joseph Koury Convention Center in Greensboro, NC. This session is free and optional but does not offer any credit toward completion of the program. It does, however, answer many questions that new teachers have regarding the program, clarifies objectives and is highly recommended.
