

## The Postsecondary State CTE Leaders Fellowship

-Sponsored by ECMC Foundation

### About

The Postsecondary State Career Technical Education (CTE) Leaders Fellowship at Advance CTE – Sponsored by ECMC Foundation – will build a talent pipeline of state-level postsecondary CTE leaders fiercely committed to creating an accessible and racially just postsecondary CTE system.

Through supportive spaces and an equity-centered curriculum, Fellows will gain the skills and network to pursue leadership positions in state postsecondary CTE. To address equity gaps, aspiring leaders of color will be prioritized.

### Eligibility

The Fellowship is open to aspiring leaders and professionals with deep knowledge of and experience in CTE from:

- State departments of education,
- Higher education, labor and workforce;
- Administrators and educators from four-year colleges, community colleges, technical centers and K-12;
- Professionals from non-profits and Career Technical Student Organizations
- Industry experts.

### Program Details

- Fall 2022 to Winter 2023
- Eight virtual ½ day workshops
- Monthly, hour-long coaching sessions.
- Completion of a real-world Fellowship project (more details below).
- Virtual and in-person engagement opportunities
- \$1,800 Fellowship stipend
