

Roadmap to Future of CTE Summit

We are so excited you will be participating in the Future of CTE Summit this fall! To help you prepare for this interactive and innovative event, which is unlike most meetings and conferences you've attended before, we've put together this Roadmap, with relevant resources, activities and events for you to engage in before we come together in October.

Stop 1: Reflect

- Consider your current understanding of CTE and its impact: What do you know about Career Technical Education? What role has it played in supporting students, employers and society? What role *should* it play moving forward?

Stop 2: Learn about the Process

- Watch the [pre-recorded webinar](#) on the previous Vision summit to better understand the process
- Explore the previous Vision summit's website for insight into the activities and outcomes.
- Read [Reflect, Transform & Lead: A New Vision for Career Technical Education](#), the resulting vision from the 2010 Summit on CTE.

Stop 3: Explore What CTE Looks Like in Your State and Nationally

- Check out the state-specific pages on [NASDCTEC's](#) and [ACTE's](#) websites.
- **Talk** to your [State CTE Director](#) and other state leaders responsible for CTE at the K-12, postsecondary and workforce levels

Stop 4: Review the Progress CTE Has Made in the Last Five Years

- Review the *Five-Year [Progress Reports](#)* on the five major principles of the 2010 CTE Vision, and
- **Read [CTE 101](#)** to get up to speed on relevant CTE and career readiness initiatives, reports and research

Stop 5: Complete the Pre-Summit Survey (July 17-July 31)

- Fill out the short, pre-Summit [survey](#) between July 17 – 31. This survey will take stock of your current assumptions and perspectives on CTE and inform the activities and scenarios used throughout the Summit.

Stop 6: Read the Final Progress Report (September 1, 2015)

- Read the [final report](#) on the major roadblocks and challenges – internal and external – that hinder CTE from meeting its full potential.

Stop 7: Join the Pre-Summit Webinar (September 24, 2:30-3:30 p.m. ET)

- Participate in the [pre-Summit webinar](#) to walk through the goals of the Summit, the agenda and any final logistics. This will help ensure we can hit the ground running when we come together in October.

Final Stop: The Future of CTE Summit! (October 6 – 8, 2015)
