

CTE Without Limits

Session in a Box: Overview

Session Objectives

- A. Participants will be introduced to the new shared vision, *Without Limits: A Shared Vision for the Future of Career Technical Education (CTE Without Limits)*, which lays out the aspiration of a new career preparation ecosystem.
- B. Participants will be introduced to the vision's five vision principles and the actions required of secondary and postsecondary/adult Career Technical Education (CTE) leaders to accomplish this shared vision.
- C. Participants will be able to "see" themselves in *CTE Without Limits* and how they can contribute to the accomplishment of the vision.
- D. Participants will understand how to stay informed and involved in the movement to accomplish *CTE Without Limits*.

Session Description

The world is changing at an increasingly rapid pace, with the future of work — or the work of the future — fully upon us. At the same time, our nation is facing a serious economic, workforce and health crisis that offers a critical and necessary opportunity to reflect on how we design and deliver Career Technical Education (CTE) so that it reaches its full impact and promise for each learner.

Developed with input from nearly 200 national, state and local education and workforce development leaders and supported by 40 national organizations, *Without Limits: A Shared Vision for the Future of Career Technical Education* puts forth a bold vision where each learner can access and be successful in high-quality CTE programs without any limitations or barriers. This session will introduce participants to the principles and actions required to accomplish this shared vision for a cohesive, flexible and responsive career preparation ecosystem.

Suggested Audience

Suggested audience: Attendees of state CTE conferences (CTE superintendents and principals, community college presidents and workforce development deans, teachers, faculty, state policymakers, school board members, employers, CTE learners, CTE stakeholders, etc.)

Estimated length of the session: 45 minutes
