Please join us for the Mississippi Department of Education Office of Career and Technical Education CTE Capitol Day on February 8, 2013, 10 a.m. - 1 p.m.

CTE Capitol Day will inform the community about middle and high school Career and Technical Education programs across Mississippi and about opportunities that help students excel in college and careers. The event will be held in the Rotunda at the State Capitol Building in Jackson, MS.

DID YOU KNOW?

- The national average high school graduation rate for students concentrating in CTE programs is almost 91 percent, compared to 75 percent for other students.
- Nationally, more than 70 percent of secondary CTE students pursue postsecondary education shortly after high school.

Mississippi's CTE:

- Pathways to Success gives students access to the knowledge, skills and credentials they need in the workplace.
- Pathways to Success enables students to stay employed in current jobs while training for higher-skill and higher-paid positions.
- Pathways to Success helps students identify educational pathways to professions that expand their career horizons by helping them earn credentials that have real value to employers.
