

WHAT'S AHEAD: UPCOMING ADVANCE CTE OPPORTUNITIES AND RESOURCES

See Page 2 for QR codes to key pages for upcoming resources and opportunities.

Events

November 28, 2023, 3:00 p.m. EDT

Webinar: Building a Diverse CTE Leadership Pipeline - Watch Party and Q&A for the Journey to CTE Leadership Video Series

Join us for a viewing session and panel discussion for the Journey to CTE Leadership video series which shares the authentic journey of four Fellows from the inaugural cohort of The Postsecondary State Career Technical Education Leaders Fellowship at Advance CTE - Sponsored by ECMC Foundation (Fellowship). During this webinar we will view each video and have an opportunity to speak with the featured Fellow about their experience and recommendations for state leaders to make leadership positions more welcoming to diverse and aspiring talent.

Communities of Practice

November 29, 2023, January 30 and March 26, 2024

***In Progress - Join Now!* Data and Accountability Community of Practice**

This community of practice will focus on exploring effective data systems, linking data across agencies, strategies for monitoring progress, and building a culture of data-driven decision making. Email dadams@careertech.org to learn more and join.

Surveys

Late October – November 2023

The National Career Clusters® Framework National Implementation Survey

Advance CTE will be opening a national implementation survey to better understand how educators, administrators, state leaders and national organizations currently and would like to leverage the Framework in their work across learner levels. The survey will be open to all who would like to participate.

Please note this survey is only about the use of the Framework and its implementation and will not provide information about future content changes to the Framework itself. A full validation survey will be released in Spring 2024.

December 2023

Advance CTE Annual Member Services Survey

Members will receive our annual member services survey to provide input on Advance CTE spaces and supports.
