Networking Challenge Discussions

October 26, 2023

Network Challenges

- Select a topic, as outlined on your agenda, that you would like to discuss with peers and identify the room in which that discussion will be based.
- Easels or table stanchions will be available in each room to help you identify your breakout.
- Using the question prompts provided, spend the next 30 minutes with fellow sites troubleshoot common issues and concerns.
- Ask questions and learn more about how lessons learned might advance work for your own team and site.
- Repeat!
