

College and Career Readiness: Defining and Making It Happen Together

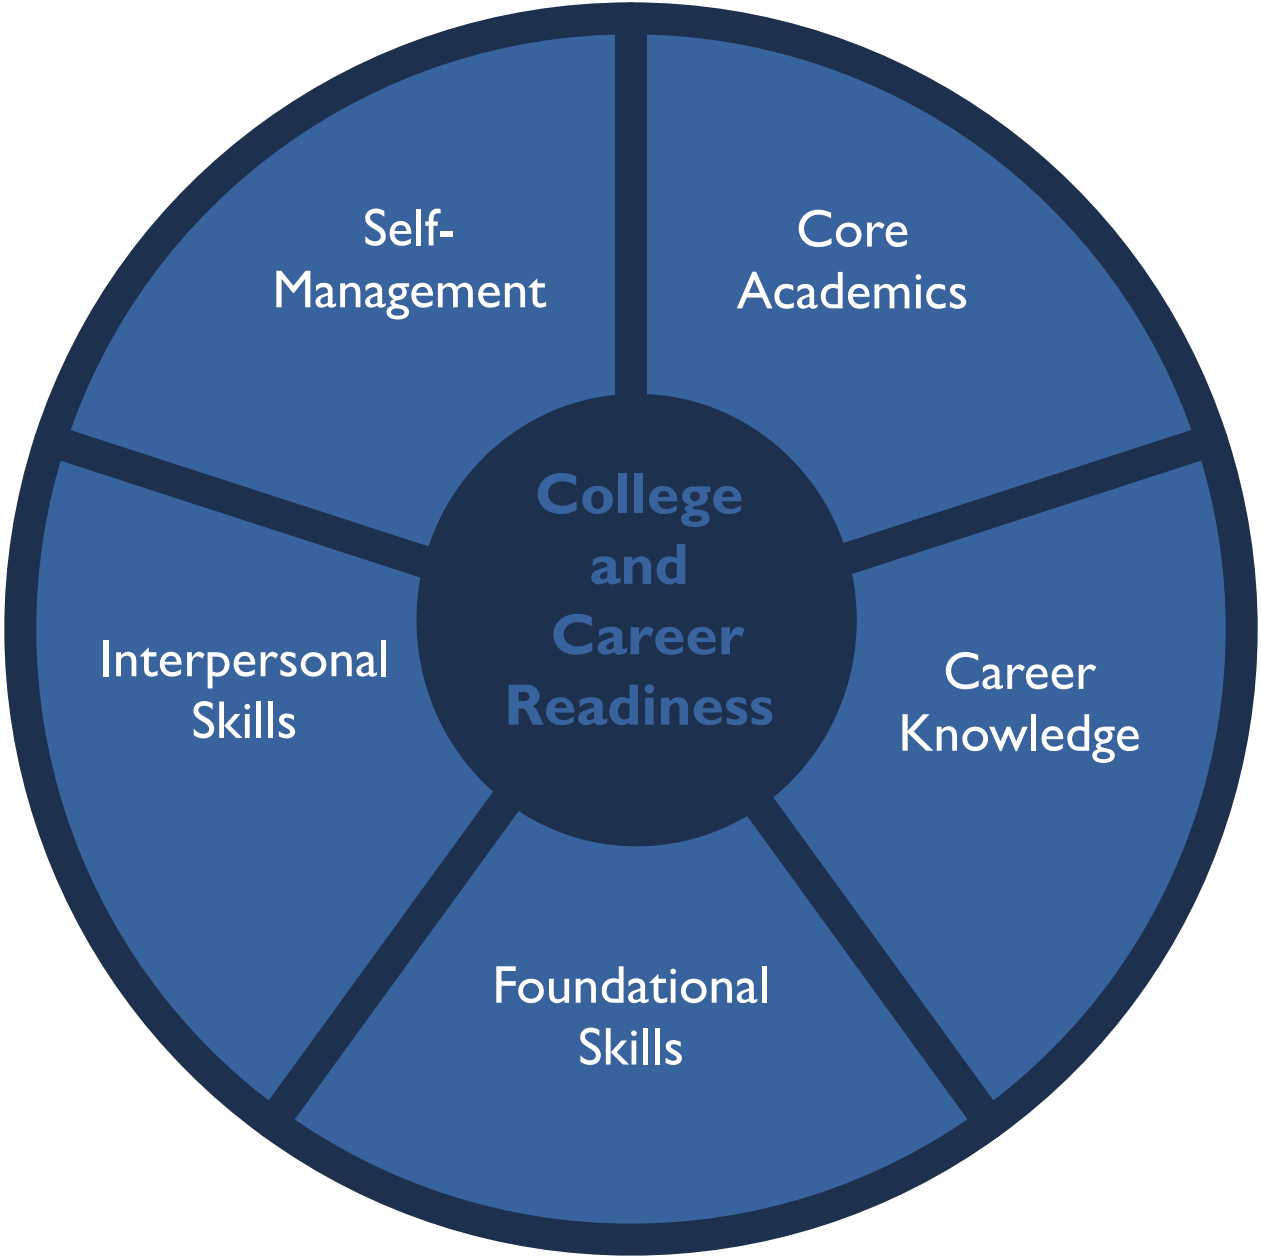

JD Hoyer
President, National Academy Foundation

June 19, 2012

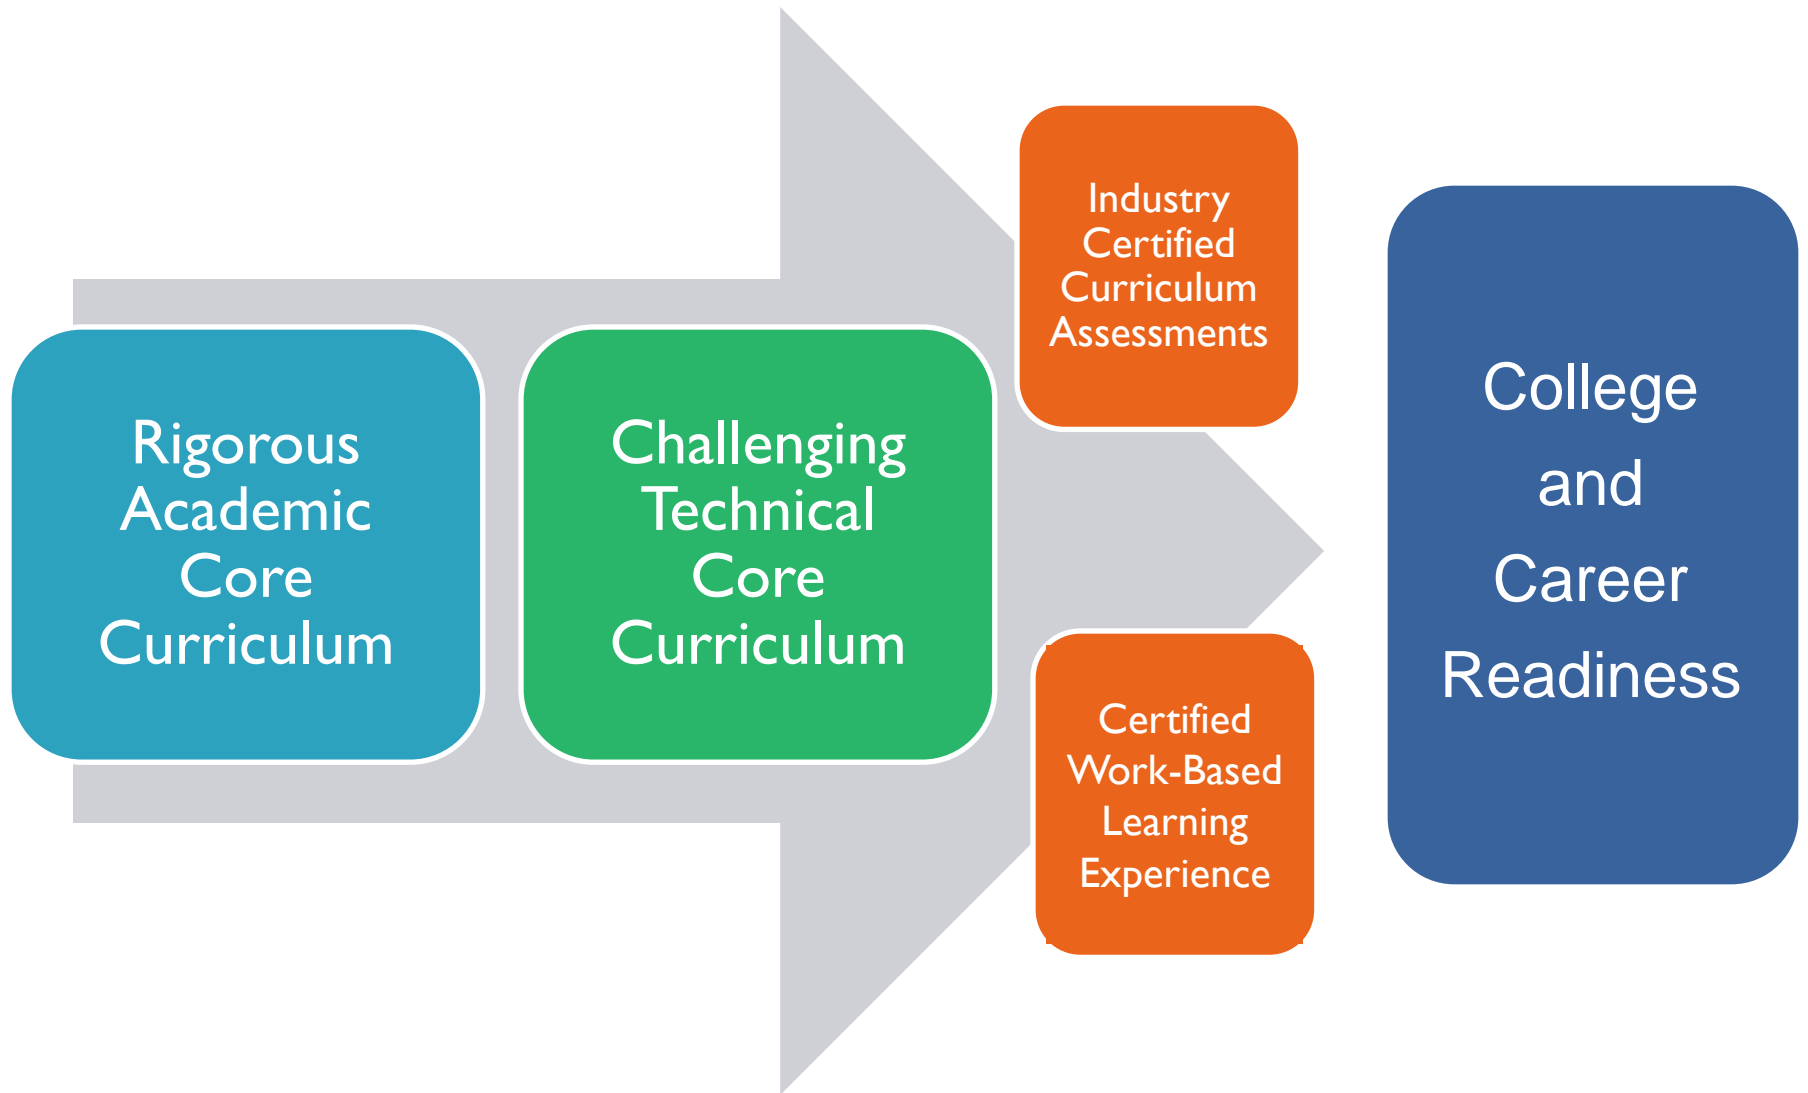

The National Academy Foundation Model

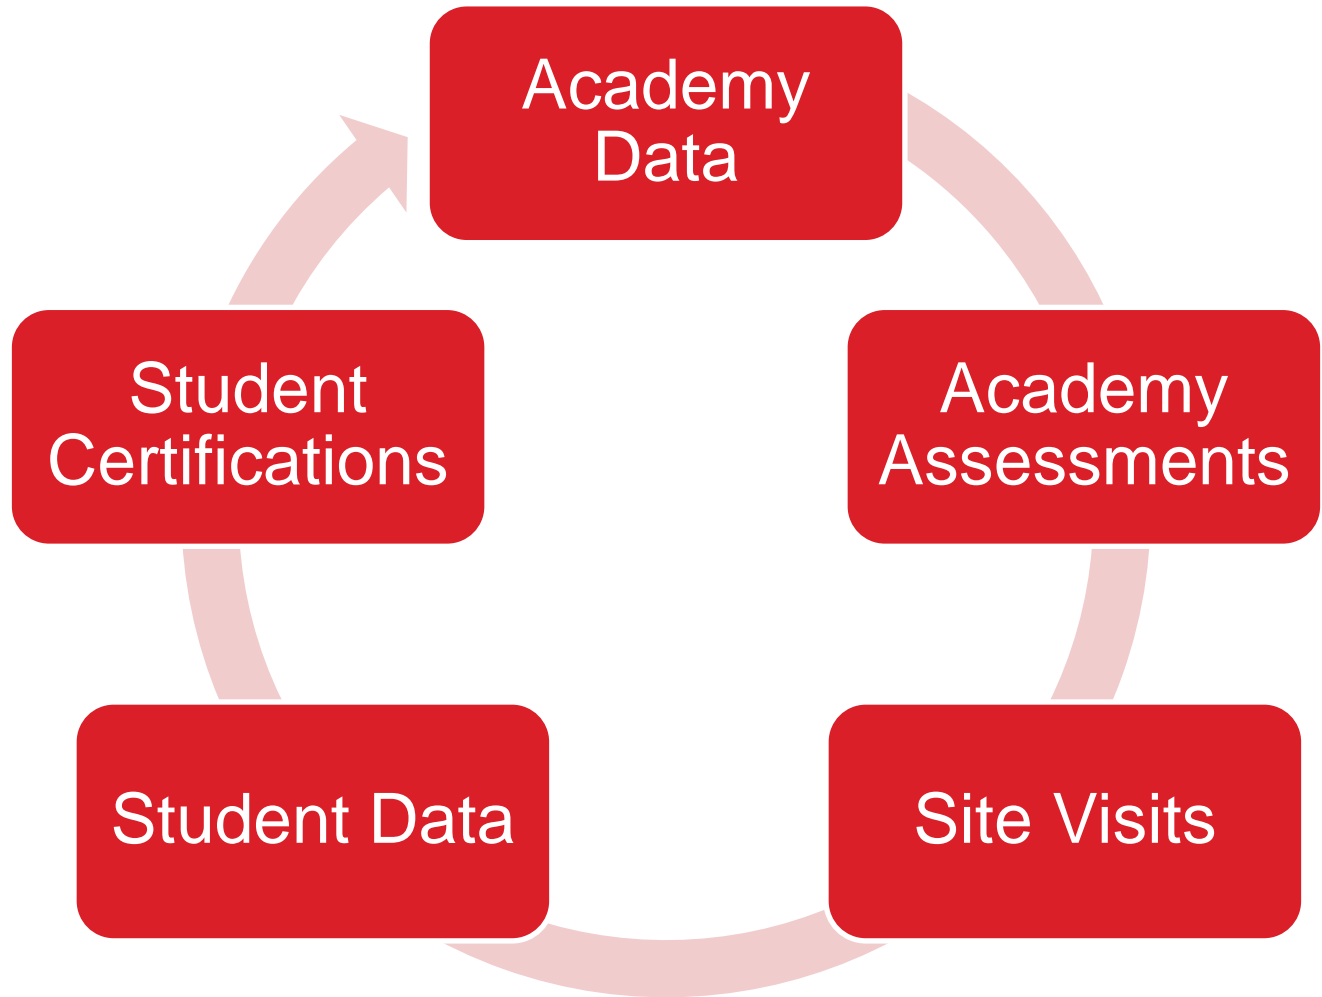

The NAF Approach

NAF Assessment Strategies

A Call To Action

- Quality and proven practice should drive policy
- Time does not equate to proficiency
- Real world application should be stressed
- The workplace is a powerful extension of the classroom
- We need to work together to get results
