In May 2016, **Putting Learner Success First: A Shared Vision for the Future of CTE** was released with support from seven national organizations. This chart offers a quick scan of the major initiatives, activities and efforts underway among the supporters that will help advance the vision's five principles and related actions. The chart will be updated regularly.

All CTE programs are held to the highest standards of excellence

<i>Develop and implement rigorous review and approval processes and policies to ensure only high-quality programs of study exist</i>	Federal advocacy New Skills for Youth	Federal advocacy High-quality CTE definition	New Skills for Youth/Career Readiness Initiative		Federal advocacy
